### 2.1 Instructions

To ensure an overall homogeneity of the proceedings, authors must follow the following instructions for manuscript preparation:

- (1) Papers must be written in English.
- (2) A page limit of 8 pages is required for submission. Recommended length is 6 pages.
- (3) Papers must be prepared on A4 size papers with 3 cm margins on the top and on the bottom, and 2 cm margins on left and right sides.
- (4) Papers must be printed in **double** column format and space between columns 1/2 cm, single-spaced in Times or similar type style, 10pt or larger.
- (5) Please indicate title, author's name(s), affiliation(s), email address(es), and keywords at the top of the first page.
- (6) All text, figures, captions and references must be clean, sharp, and readable and have high contrast.

(7) Ensure, that all required fonts are embedded and sub-setted in your PDF document. Otherwise some characters might not be displayed correctly.

(8) Other formatting instructions:

- Title:  
Type the title in boldface using 18pt and center all lines of the title on the first page.
- Headings:  
First order headings should be in boldface and flush with the left margin of the page. Leave 2 lines space above and 1 line space below. Second order headings should be in boldface and flush with the left margin of the page. Leave 1 line space above and 1 line space below.
- Page style:  
Do not include page headings and page numbers in your paper.

### 2.2 Style and Sample Files

You can download style and sample files for LaTeX2e and Microsoft Word from the conference web site:
